**Special General Business :**

To consider the application for membership of Jedediah Cole

That the new member be accepted, moved John, seconded Norm

Vote: Unanimous.

**Other Matters:**

\* This special meeting was held on short notice due to the fact that Jeb, as a visitor, was unaware that the team Championship event he had entered was for members of CCBC. The event was scheduled for 19/8/17 and his membership application lodged on 15/8/17. It was considered that the shortened time frame for notice of the meeting was the fault of no one.

**Meeting Closed:** 10.15am
