

Chief Director's AGM report 2020

This year has been very productive for the directors of the CCBC. At the start of the year the CCBC had only six active directors. Sadly, in May we lost Helen Eaton. Five active directors to cover nine sessions a week was an unacceptable risk for running CCBC sessions. During 2019-2020 we welcomed an additional five Directors to our role.

Throughout the year we held regular six weekly Director's meetings. We analysed and shared directing problems and discussed issues around suitable movements. We choose chapters of the Laws of Bridge to study and discuss. Gary Barwick gave extremely valuable talks and instruction on Compscore and movements

I would like to thank Gary Barwick for his support. Gary was unstinting in his efforts to develop directing skills and has made himself available to help solve directing/movement/computer problems. Gary also seamlessly directed several major events throughout the year

I would also like to thank Pam Townsend, Jean Moran, Margaret Regan, Roy Cotton and Austin Driscoll for taking on the challenge of directing at the CCBC.
