

CENTRAL COAST BRIDGE CLUB

MEMBER INFORMATION December 2020

Return to bridge under Covid-19 Restrictions (to accompany our Covid Safety Plan)

Central Coast Bridge Club is registered as COVID Safe. We have a Covid Safety Plan which abides by NSW Health rules and regulations. This plan is on display in our Clubhouse at all times. These regulations will change over time, and we will adapt any changes to comply with NSW Health. Accordingly, we will keep updating our plan and inform our members as restrictions change. This member information accompanies our Covid Safety Plan. It is aimed to keep you informed on the return to bridge and lessons in our club, to explain the necessary changes we have had to make under NSW Health Regulations and set out guidelines.

Members who play bridge at CCBC, do so at their own discretion. By playing at CCBC, members accept to abide by the guidelines and restrictions we have set down.

HEALTH AND WELL BEING

You must NOT return to the club if any of the following apply:

- You have flu like symptoms
- You have had close contact with someone with flu like symptoms in the last 14 days
- You have returned, or had close contact with someone who has returned from overseas or a “hotspot” area within the last 14 days
- If you are a close contact of a COVID positive person

ENTRY TO THE CLUBHOUSE

- A COVID Monitor will admit you to the Club.
- Entry will only be via the front door. Front door will be opened 30 minutes prior to commencement of session or lesson. Side door will be locked until session is underway, and then no more admissions permitted.
