

## **Tournament Secretary Report 2022**

Well once again Covid has disrupted our year. With our club being closed, mask wearing, members catching Covid and the general caution about playing bridge, we still have many important events still to conduct.

We have 13 Red Point and/or Trophy events and 4 Club Championships to conduct before the end of the year. I would really appreciate members participating in these events as we must have a minimum of 5 full tables for each event.

Could our Home Club Members PLEASE attend our sessions. We could easily have more tables on Thursday and Friday mornings if you supported our club. Also, please remember Monday mornings have a stand-by and morning tea is provided. Morning tea is also provided on Thursday mornings.

Our Charity Day is on Wednesday 19 October with bridge commencing at 10.00am. A lovely lunch will be provided.

Our Christmas Party will be on Saturday 3 December this year – 9.30am start for bridge followed by a delicious Christmas Lunch.

Enjoy your bridge and support the CCBC.
