

KERRIE RANSOM

- Retired physiotherapist
- Previously served on the CCBC committee for 4 years
- COVID Co-Ordinator for 2 years. I led our Covid Committee to successfully and safely open our club throughout the difficult Covid pandemic. This involved creating Covid Safety Plans, Procedures and Protocols for our club, liaising with NSW Public Health, and responding to frequent changes in lockdowns, mask wearing, isolation rules and vaccination status.
- Bridge librarian for 3 years
- Created the CCBC Code of Conduct
- Sourced and installed our AED Defibrillator
- Worked on CCBC Marketing sub committee for 2 years

I would like the opportunity to serve our members once again.
